1st increment

2nd increment

3rd increment

I would like to be called on the following telephone or mobile number:

1. number: _____ 2. number: _____

Bids placed in writing are considered as bids already placed in the auction and will be executed by the auctioneer of the auction house. Telephone bids will be executed by a telephone operator of the auction house who will contact you approx. 4 lot numbers before the object you wish to bid on.

Telephone bidders agree to bid the call price! We do not take any responsibility for the establishment and maintenance of the telephone connection.

In case of ambiguity about the designation of the indicated object, the indicated lot number is valid.

In the event that we receive two written bids of the same amount for one lot number, we will give priority to the bid received earlier.
